Sponsors Crucial in Fight to Feed Hungry and Homeless Children

The Foundation would like to thank crucial sponsors, including the Verdant Health Commission, the City of Mountlake Terrace, Schools Out Washington, and our many donors, whose gifts help fund important programs that support hungry and homeless children and their families across the Edmonds School District during the COVID-19 Pandemic.

Generous support provides for the Nourishing Network, an essential program that focuses on Weekend Meal Kits, Summer Meals Program, Pop-Up Pantries, home meal deliveries, and holiday meals, as well as supporting Edmonds School District meal kits.

"Essential programs like these are able to reach hundreds of families," says Deborah Brandi, Foundation for Edmonds School District Executive Director. "Without this vital support, crucial work like this would not be possible."

Each month, the Nourishing Network provides more than 33,400 food items to children and families struggling due to persistent poverty, unemployment, and greater financial burdens as a result of the pandemic.

Foundation Supports Brand New eHub for Kids in Need

The Foundation is excited to announce the opening of the Edmonds Hub (eHub)! Working in partnership with the Edmonds School District, the Foundation along with Design West Engineering and Lauri Strauss at Design2 LAST helped make the Edmonds Hub a reality. The eHub provides a safe and warm place for homeless and at-risk children to study, access the internet for online learning, receive meals, and receive access to laundry services. Designed in a cafe style, the new eHub is located in the former Alderwood Middle School, and offers a warm place to sit, read, sleep, eat, and study.
