SHAPING STUDENTS' FUTURES!

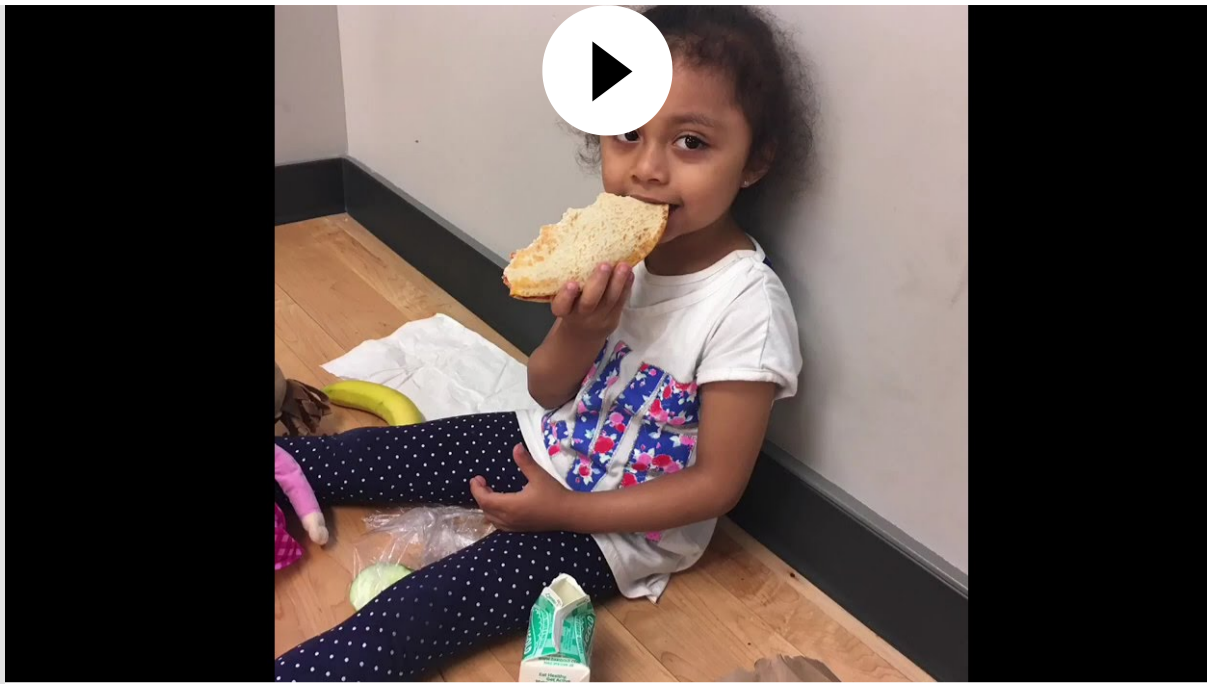

Coming Together to Feed 476 Students in Need

The Nourishing Network was joined by a team of volunteers from The Hallows as well as friends and neighbors of the Foundation last week to help bag weekend meal kits for more than 476 students. Thank you to every person who helped us with the first weekend meal bagging of 2021! Every weekend meal kit produced by the Nourishing Network is currently delivered to students' wherever they are sheltered in place. Thank you to all of our volunteers who help us make this possible!

Classroom Grants: Enriching Education, Inspiring Innovation and Excellence

The Foundation is pleased to announce that it has awarded more than \$22,500 in classroom and schoolwide grants across 20 schools. Aligned with district learning goals, our Creative Classroom and Schoolwide grant program provides supplemental funding for dozens of innovative projects that enrich all subject areas, at every grade level. Grants allow teachers to create rich learning experiences that bring big ideas to life in the classroom and beyond. This year has required an even higher level of innovation and creativity as our educators across the Edmonds School District are teaching virtually. We are proud to support our schools and educators as they provide excellent education at a distance.

Campbell Auto Group is "Community Driven"

We are so grateful for community partners like Campbell Auto Group! Campbell Auto Group's Community Driven Campaign is set to support local nonprofits that care for the most vulnerable in our community, "helping those without a voice". This year, the Foundation for Edmonds School District is one of 10 organizations to be selected as a campaign partner, in support of the Nourishing Network. Funding will help support important programs that feed our hungry and homeless students.
