Campbell Auto Group is "Community Driven"

We are so grateful for community partners like Campbell Auto Group! Campbell Auto Group's Community Driven Campaign is set to support local nonprofits that care for the most vulnerable in our community, "helping those without a voice". This year, the Foundation for Edmonds School District is one of 10 organizations to be selected as a campaign partner, in support of the Nourishing Network. Funding will help support important programs that feed our hungry and homeless students. Would you like to volunteer with us?

The Foundation's annual summer meals program is set to start again on June 28th, 2021 and will run until August 26th, 2021. Grab and Go meals will be available to all children ages 5 - 18 at four sites, alongside an hour of exercise play at three of the four sites.

Volunteers are needed to help hand out grab and go meals, supervise children during the one hour healthy exercise program, and help keep our sites safe and clean. Important PPE, social distancing, and sanitizing protocols will be in place following State Government Mandates. If you'd like to volunteer with us, please contact Thame Fuller, NN Programs Director, at thame@foundationesd.org for more information and an application packet!

Give the Gift of Stock

Giving a gift of appreciated stock is an easy and effective way to both take advantage of IRS tax incentives and help families in need.

By giving a gift in this way, you can claim a charitable tax deduction for the full appreciated market value of your securities, and there is no capital gains tax when you make the transfer.

If you're interested in giving a gift of appreciated stock, please contact Executive Director, Deborah Brandi, by [email](mailto:deborah@foundationesd.org) or phone 425.431.7260.

You're receiving this because you have donated to the Foundation or Athletic Department in the past, graduated from the District, or have asked to be on our mailing list
