

Foundation for Edmonds School District

Formerly Edmonds Public Schools & Alumni Foundation

Thank you doesn't begin to cover how grateful and humbled the Foundation family are for the hard work of our Edmonds School District team. We are in awe of their forbearance in the face of the challenges and difficulties that have arisen this year. We are inspired by their grace as they shifted into high gear to provide quality education, important services, and a helping hand in a landscape that has, and continues, to shift and change in the blink of an eye.

Every staff person has answered the call to action and have tirelessly gone above and beyond the call of duty to help students and families keep learning, keep connected, and keep fed during a time that has proved immensely difficult. We have been witness to the tears and the joy of the students and families who have been so impacted by the work of every member of this team.

Will you join with us as we take a moment to thank these incredible people?

Thank you to our teachers, paraeducators, and all the educational staff at the Edmonds School District!

Thank you to every staff person; from educational to office, from paraeducators to bus drivers, from janitorial crews to administrators, from the counselors to the coaches. To every member of our ESD team, THANK YOU!

We are all connected and we truly are all in this together. Without each other none of this hard work would be possible. The educators, administrators, and building staff in our District have adapted quickly to deliver classes online, provide necessary services, and provide safe environments for every person on the frontlines.

Thank you, Food and Nutrition Team!

Thank you to Megan DeVries, Jill Harrison, Kathi Clement and the rest of the Food and Nutrition staff who have worked unceasingly to bring nutritious meals to kids, making sure they have food to eat 7 days a week. You are our heroes! We can't thank you enough for feeding our children and families.
