On the Job Training Pilot Program

Do you own a business or work for one that is interested in supporting high schoolers to become job ready? Then the Foundation's new pilot On the Job Training program, in partnership with the ESD's Career Connected Learning Program, is for you!

This program works to provide workforce development and on-the-job training program for seniors this fall. Eligible students could also receive a scholarship upon successful program completion.

Students will be placed with employers for a paid internship to help students build basic job skills and demonstrate soft skills such as attendance and punctuality.

Charitable Giving in 2022

Are you thinking about the best ways to make a charitable donation for the 2022 tax year?

Consider giving appreciated securities held for over a year, such as mutual funds, appreciated stock, and exchange traded funds as a charitable gift! These offer a great way to donate whilst still getting your full tax deduction.

Or, perhaps you'd like to make a qualified charitable distribution using a traditional IRA to donate directly to the Foundation? If you hold a traditional IRA and are age 70 ½ or older, you can donate to a qualified charity, such as the Foundation. A qualified charitable distribution may satisfy your required minimum distribution and up to \$100,000 of qualified charitable distributions may be excluded annually from your taxable income. The qualified charitable distribution needs to be made directly by the IRA custodian/trustee to the Foundation.

Please consult with your tax advisor prior to contributing under either of these scenarios to confirm your eligibility and charitable deduction benefits.
