

Foundation for Edmonds School District

IMPORTANT NOTICE: Due to the continuing technology outage in the Edmonds School District, Foundation staff still do not have access to email. The Technology Department continues to work tirelessly to resolve the issue and we will inform you as soon as email access has been restored. Thank you for your patience as we continue to navigate this situation together. **Please note:** Donations, event registrations, and volunteer applications can still be submitted through our website with no issues.

SHAPING STUDENTS' FUTURES!

Verdant Health Foundation Awards Foundation for Edmonds School District \$140,000 to Support the Nourishing Network

The Foundation has received a generous grant of \$140,000 from the Verdant Health Commission. Dedicated to the health and wellness of the local community, the Verdant Health Commission provides local non-profits with funding to help vulnerable persons gain access to important health and nutrition services.

The award will be used to fund important programs through the Nourishing Network, which currently serves more than 500 low income and homeless children and families. Children struggling with food insecurity face a range of negative effects, including lower academic performance, struggles with anxiety and depression, and difficulty getting along with their peers.

The Nourishing Network helps children and families by providing weekend meal kits, summer meals, staples through Pop-Up Pantries, emergency food boxes, and holiday meals.

"Providing food bags, pantry staples, and weekend meals lessens the stress on the entire family and keeps them from wondering where their next meal will come from," says Deborah Brandi, Executive Director. "We're very thankful to Verdant for this generous award and the ways in which it will positively impact the children in our district."

Cookies and Brownies for Kids

For every Chocolate Chunk Cookie and Chocolate Fudge Brownie sold this February, Chick-fil-A Alderwood will donate \$0.25 to support the Foundation for Edmonds School District.

On the Job Training Pilot Program

Do you own a business or work for one that is interested in supporting high schoolers to become job ready? Then the Foundation's new pilot On the Job Training program, in partnership with the ESD's Career Connected Learning Program, is for you!

This program works to provide workforce development and on-the-job training program for seniors this fall. Eligible students could also receive a scholarship upon successful program completion.

Students will be placed with employers for a paid internship to help students build basic job skills and demonstrate soft skills such as attendance and punctuality.

Campbell Auto Group is Community Driven!

We are so grateful for community partners like Campbell Auto Group!

Campbell Auto Group's Community Driven Campaign is set to support local nonprofits that care for the most vulnerable in our community, "helping those without a voice". This year, the Foundation for Edmonds School District is one of 9 organizations to be selected as a campaign partner, in support of the Nourishing Network. Funding will help support important programs that feed our hungry and homeless students. For more
