**On the Job Training Pilot Program**

Do you own a business or work for one that is interested in supporting high schoolers to become job ready? Then the Foundation's new pilot On the Job Training program, in partnership with the ESD's Career Connected Learning Program, is for you!

This program works to provide workforce development and on-the-job training program for seniors this fall. Eligible students could also receive a scholarship upon successful program completion.

Students will be placed with employers for a paid internship to help students build basic job skills and demonstrate soft skills such as attendance and punctuality.

We are so grateful for community partners like Campbell Auto Group!

Campbell Auto Group's Community Driven Campaign is set to support local nonprofits that care for the most vulnerable in our community, "helping those without a voice". This year, the Foundation for Edmonds School District is one of 9 organizations to be selected as a campaign partner, in support of the Nourishing Network. Funding will help support important programs that feed our hungry and homeless students. For more information, please check out our video above and feel free to share or go to <https://www.campbellvw.com/community-driven/>

### Interested in Learning More About the Foundation?

An investment in the Foundation is an investment in our children, families, and our community. Our 21+ programs impact 20,800 students whose immensely diverse backgrounds bring together cultures from around the world and over 131 spoken languages. From helping students to become career and college ready; to putting food into the tummies and on the tables of our highest needs children and families; to enriching classroom experiences through music, art, field trips and more. Your investment can go a long way to helping a child or family in need.
