### On the Job Training Pilot Program

Do you own a business or work for one that is interested in supporting high schoolers to become job ready? Then the Foundation's new pilot On the Job Training program, in partnership with the ESD's Career Connected Learning Program, is for you!

This program works to provide workforce development and on-the-job training program for seniors this fall. Eligible students could also receive a scholarship upon successful program completion.

Students will be placed with employers for a paid internship to help students build basic job skills and demonstrate soft skills such as attendance and punctuality.
