Art for All! in the Community

This past weekend, students from AECC, Beverly Elementary, Brier Elementary, Hazelwood Elementary, Maplewood K-8, Mountlake Terrace High School, and Scriber Lake High School showcased their art work at the Cascadia Art Museum.

Students auctioned their art pieces and were purchased by local community members. Almost 100 pieces of student art were submitted and the auction successfully raised \$1,850 to help continue to fund the Art for All! program.

Using a universal design that's accessible to all, the program focuses on teaching literacy, communication, math, and science within the context of art projects. It helps students with complex problem-solving, cognition, physical development, social skills, agency, and so much more, all while having fun and creating art.

The Foundation sends a warm and grateful thank you to the Cascadia Art Museum, Heidi Brislin, and the Arts for All! Team who worked so hard on this amazing program and showcase!

Lynnwood High School Royal Robotics Team Wins Gracious Professionalism Award!

The Lynnwood High School Royal Robotics team recently competed in the Hawaii Regionals after three intense weeks of competition in Glacier Peak and Bonney Lake.

Despite setbacks due to the recent technology outage in the District, affecting 2.5 weeks of their six week practice season, the team persevered with completing their robot in time for competition.

They also continued to hold a practice field daily after build season with 1778 Chill Out of Mountlake Terrace High School at Former Alderwood Middle School. This allowed up to six other teams to practice driving their robot ahead of competition.

The team's willingness to provide space and time for other students to practice and perfect their robots earned the Royal Robotics not one, but two, Gracious Professionalism awards!

The team also qualified to attend the PNW District Championships. Although the team ranked 23 in the playoffs and didn't make it to the World Championship (only 22 teams can go of 150 teams), we are so very proud of their hard work and "coopertition"! Way to go Royal Robotics!!

On the Job Training Pilot Program

Do you own a business or work for one that is interested in supporting high schoolers to become job ready? Then the Foundation's new pilot On the Job Training program, in partnership with the ESD's Career Connected Learning Program, is for you!

This program works to provide workforce development and on-the-job training program for seniors this fall. Eligible students could also receive a scholarship upon successful program completion.

Students will be placed with employers for a paid internship to help students build basic job skills and demonstrate soft skills such as attendance and punctuality.

Interested in becoming a job site host? Contact Deborah Brandi, Executive Director, today at deb@foundationesd.org or 425-431-7260

Campbell Auto Group is Community Driven!

We are so grateful for community partners like Campbell Auto Group!

Campbell Auto Group's Community Driven Campaign is set to support local nonprofits that care for the most vulnerable in our community, "helping those without a voice". This year, the Foundation for Edmonds School District is one of 9 organizations to be selected as a campaign partner, in support of the Nourishing Network. Funding will help support important programs that feed our hungry and homeless students. For more information, please check out our video above and feel free to share or go to <https://www.campbellvw.com/community-driven/>

Interested in Learning More About the Foundation?

An investment in the Foundation is an investment in our children, families, and our community. Our 21+ programs impact 20,800 students whose immensely diverse backgrounds bring together cultures from around the world and over 131 spoken languages. From helping students to become career and college ready; to putting food into the tummies and on the tables of our highest needs children and families; to enriching classroom experiences through music, art, field trips and more. Your investment can go a long way to helping a child or family in need.

Interested in hearing more? Contact Deborah Brandi to learn more or become an investor today! Call 425-431-7260 or email her at deb@foundationesd.org.
